

OKLAHOMA COMMISSION ON CHILDREN AND YOUTH

Freestanding Multidisciplinary Teams Department

The FSMDT Department vision is that every child impacted by abuse and neglect receives the highest quality services from multidisciplinary teams and professionals to achieve their full potential.

The mission of the FSMDT Department is to enhance multidisciplinary teams and professionals' response to child abuse and neglect by optimizing access to resources, training, and technical assistance.

1

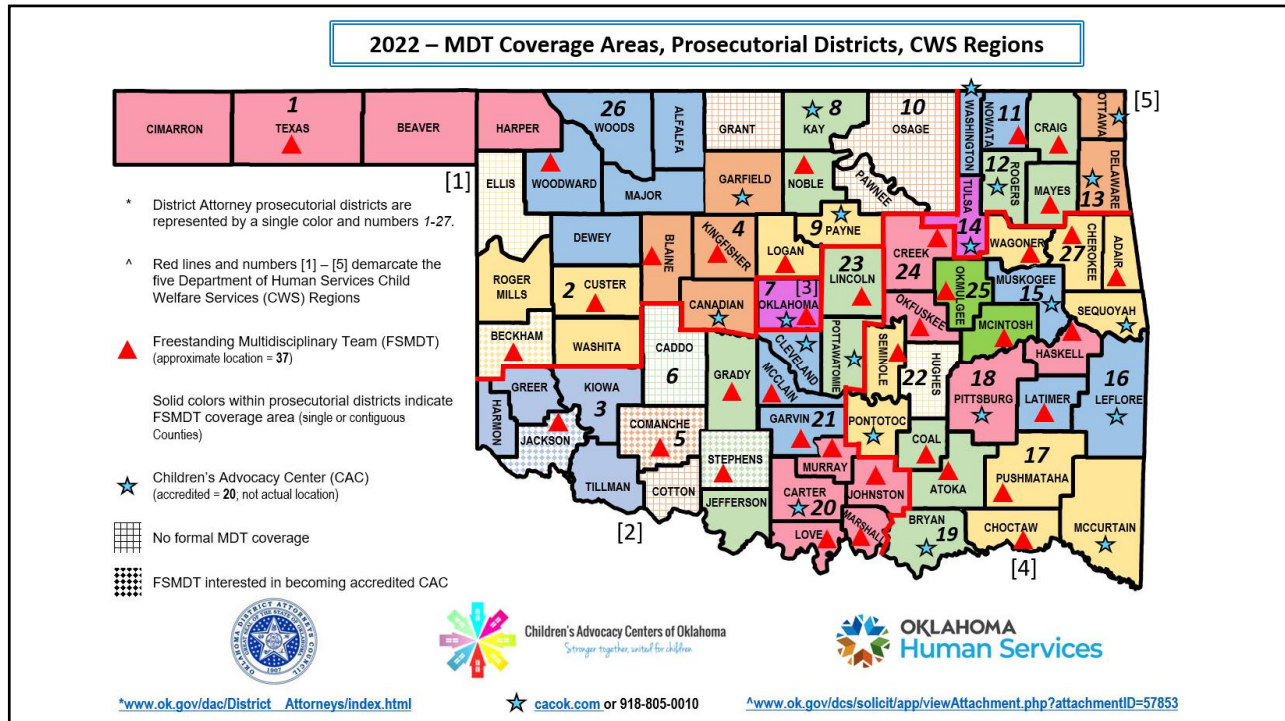

Freestanding Multidisciplinary Child Abuse Teams

- Multipurpose regarding investigation and management of cases of alleged and confirmed child maltreatment
- Required interagency agreement between District Attorney, law enforcement, OHS Child Protective Services, mental health, medical, and a Coordinator
- Independent and autonomous; funded by CAMTA
- Official documents
 - 10A O.S. §10A-1-9-102,103(a/b),104(a/b) (OSCN 2019)
 - OAC 135:10-25*
 - MDT Minimum Standards*
